Dear Secret Meals Supporter,

Over the life of the Secret Meals For Hungry Children program, one thing has kept it going: You. With your support, we will provide more than weekend food packs to Alabama's neediest children; we will also provide hope.

This year, we're taking the fight against hunger to the sandy beaches of the Gulf Coast. Alabama Credit Union, will host the first annual, **Bids, Brews & Beats Concert and Silent Auction** benefitting Secret Meals on May 30 at the **FloraBama Lounge and Oyster Bar**.

Guests at this event will enjoy live music while supporting Secret Meals by bidding on great Silent Auction items. With the help of our donors, we can guarantee that all contributions go directly to the purchase of food packs for children in your area.

Five years ago, Alabama Credit Union started **Secret Meals For Hungry Children** with just 18 schoolchildren. Today, the Secret Meals program serves over 2,500 children across the state by quietly slipping packages of food into their backpacks every Friday.

Along the Alabama Gulf Coast and Perdido Key area, we're serving **Gulf Shores Elementary, Fairhope Elementary, Pleasant Grove Elementary, Foley Elementary and Swift Elementary, totaling 200 children receiving weekend food packs through Secret Meals** with plans to add additional schools this coming school year.

With a fundraising goal for these schools of \$20,000 for the 2015-2016 school year, we are asking for your generous donation to the Silent Auction. Any item at any value will directly impact the life of a child in Alabama.

Remember, 100 percent of your contribution goes to **Secret Meals** food packs for South Alabama's neediest children. All donations are tax deductible and the difference you can make in a child's life through **Secret Meals** is no secret at all.

Sincerely,

Steve Swofford  
President/CEO  
Alabama Credit Union
