

FOR IMMEDIATE RELEASE

September 7, 2017

Earlier this week, the Orange Beach City Council and Mayor Tony Kennon unanimously passed a resolution endorsing the [Orange Beach Animal Care and Control Program \(OBACCP\)](#) and the Trap-Neuter-Release program.

The [Orange Beach Animal Care and Control Program \(OBACCP\)](#) commends Mayor Kennon and the Orange Beach City Council for endorsing this proactive, progressive and humane effort. The city's dedication as committed partners will make Orange Beach a better place to live for our citizens and our cats. Trap-Neuter-Return is the only proven effective method of controlling the otherwise exponential growth in stray and feral cat colonies.

"This is a monumental step forward in our efforts to effectively and humanely control our community cat population. It will take this continued partnership, dedicated volunteers and our citizens' willingness to cooperate with this new approach in order to be completely effective."

*- Thomas L. "Tom" Conerly,
Animal Control Officer,
Orange Beach Police
Department*
