 Cheryl Bamonte* 850.380.0975	<p>I am a Pensacola native raised on the West side of town. I have served on the Perdido Key Area Chamber of Commerce board for 4 years. I am a small business owner with a tremendous passion for our area and my community. I have great people skills and management skills that benefit the chamber, its board, and my fellow chamber members.</p>
 Peggy Butler* 850.712.3133	<p>I am a Realtor with Better Homes and Gardens Growing up in Nashville, I spent most of my vacations coming to the gulf coast. I fell in love with the sound of the waves and the sand between my toes at an early age. I knew that I someday wanted to call the beach my home. Little did I know at the time that I would marry a man from Pensacola. I met Larry in Nashville where he had moved to pursue a career in the music business. After having one of the most successful careers of any producer in Nashville, as well as having top publishing companies and studios Larry decided to come home. So my childhood dreams of living at the beach came true. After moving here I realized Perdido Key/ Pensacola/ Orange Beach really is the Paradise I thought it would be. When you find something you truly love then you want to share it, what better way than selling the same life style that I had fallen in love with.</p>
 Judy Davis* 850.341.2237	<p>Growing up outside of Buffalo, New York, it was always a dream of mine to live in sunny Florida. Well, that dream came true and I love the Perdido Key/Pensacola area. I was introduced to this area during Hurricane Ivan while I was working in the disaster program legal department for the federal government. In 2008, we purchased the souvenir stores on Perdido Key and in 2010 we started The Sports Bar of Perdido Key. Most recently, we moved the Sports Bar from the Villagio to the old Panama Macs building – giving us almost double the space. My daughters, Jennifer (24) and Stephanie (23), have been a tremendous help in our businesses and have taken on more responsibility, so that I can put my time and efforts into something I love – helping support our beautiful piece of paradise. I have truly enjoyed my past 4 years on the Board and I feel my background, local businesses and true love of the area would be an asset to the Perdido Key Area Chamber of Commerce for another term.</p>
 Tracy DeVack	<p>Tracy DeVack, Commercial Lending Supervisor, Navy Federal Credit Union, is responsible for leading a Commercial Lending Team to ensure “world-class” service to our business members. A native of Jacksonville, Florida, Tracy and her husband Craig, USN Retired, live in the Perdido area.</p>
 Jim Fitzpatrick	<p>As an independent agent with AFLAC, a retired marine, and a former small business owner, I feel that it is important for our community to work together to bring business to our area. By helping each other we can improve the quality of life in Perdido key. We can also have fun doing so! This will bring positive contributions to the Northwest Florida Area for many years to come!</p>
 Kathy Justice* 850.712.4631	<p>I LOVE PERDIDO KEY and consider myself blessed to live and work in our piece of paradise! It is my hope to continue serving on the Perdido Key Chamber Board after serving as Chair in 2016 during a critical year of transition as we restructured our Chamber mission statement and future goals. As a business owner on the island for over 17 years, I feel my contributions to the board are strong and I hope to continue making a difference. I am a Pensacola native, long-time member of the Perdido Key Chamber and have been the leading real estate agent in Perdido Key for the past 10 years. My 17-year career in real estate has always been rooted in Perdido Key with over 90% of my sales taking place on the island. Prior to my real estate career, I obtained my Pre-Engineering A.S. from UWF and BS in Mechanical Engineering from Florida State University where I served as President of Society of Women Engineers. I worked as a Product Development Engineer for P&G until moving “home” to Perdido Key and launching my real estate career. I am a proud member of the Pensacola Bay Area Impact 100 and faithful supporter of other local charities and organizations. I look forward to continuing in my role as a Chamber board member and actively supporting our Chamber and its mission!</p>

Stephen Lee

As a lifelong entrepreneur, I understood at a very early age that communication is the key to building a successful business. After obtaining a bachelor's and master's degree in Public Speaking at Auburn, I entered corporate B to B sales in Birmingham. After several years in that arena, I moved to the Gulf Coast with the intention of starting an ecotourism business. Since launching Intercoastal Safaris in 2015, our team has developed a variety of services to fill many of the niche market need by partnering with hospitality businesses in the area, we've been able to develop and provide "uniquely coastal hunting and fishing" experiences. Thank you for your consideration and please invest your vote in my election to the Perdido Key Area Chamber so we may all benefit from more heads in beds for years to come.

Jerr McCutchen

I am a university of Alabama Alumni and former Director of the Entertainment of the Hangout. Currently, I am the production manager, talent buyer and artist relations, and production manager at the FloraBama.

Cindy Peer
850-492-8200

I moved to Pensacola in 1994 and have lived in the Perdido Key area since 2005. I am a graduate of PSC with an A.S. degree in Paralegal studies and worked for local attorneys for more than 25 years. Ten of those years involved civil trial work with an emphasis on business/construction law. My previous partner and I opened Bayfront Plumbing Inc. in January 2008 and when he left the business in 2013, my oldest son Casey McGee obtained his Master Plumber license with the State of Florida and he and I manage the company. Recently my youngest son, Chaz McGee, separated from the Coast Guard and he is training to eventually take over my day to day duties with Bayfront Plumbing which will allow me more time to devote to my other interests. I believe in giving back to the community so I have been a member of the Perdido Key Rotary Club since 2010. I have the honor of serving on their Board as President-Elect; Social Chair and I set up and manage our website and Facebook page.
