

On behalf of Eden Condominiums, we would like to extend our gratitude to all of the donors who made this year's Wounded Warriors at Eden event possible. With your generous contributions, we were able to host more than 25 wounded veterans and their families for a week-long stay in Perdido Key complete with activities, events, meals and more! In addition to a free vacation, our veteran guests were able to share their experiences and enjoy the company of other wounded veterans and their families as they came together for this once-in-a-lifetime experience!

Thank you to all of our 2017 sponsors!

Please help support our vendors and sponsors who donated to help our warriors:

USO Northwest Florida

Neil Scrimshire, PAWN Investments

Bart Wiggins, Supreme Paper
