

Community Partners For Graffiti Bridge Toy Drive Dec 14, 2017

On Saturday, Dec 9th the community joined with Levin Rinke Realty and Children's Home Society to host The 2017 Toy Drive at Graffiti Bridge. "This year we want to make 1,000 children's Christmas wishes come true." said Levin Rinke Realty Broker / Owner Robert Rinke. Santa Claus along with his elves, stopped by Pensacola's most creative landmark to thank visitors for their donations to the children in need at Saturday's event.

"We were so excited to come out and partner with Children's Home Society and give back to the community that trust us everyday with their business. We are so grateful to get to work and play in such a wonderful place with such wonderful people - which is another reason we love hosting this toy drive." said Rinke.

Children's Home Society makes a difference in young lives by being champions of a brighter future. CHS leads the charge to implement new initiatives that dramatically transform lives! They have an ongoing impact on our community because they believe every child has potential. Levin Rinke Realty is eager to help CHS build a world where children realize their full potential, but there's still more work to be done.

"We are so very grateful for the partnership we have with Levin Rinke Realty. They truly care about our children and families at Children's Home Society." Said Leah Harrison, President – Children's Home Society. "We work daily to change the trajectory of our families lives before crisis strikes, before families enter the child welfare system and we are able to do so because of partnerships like this one. This event brought in gifts that will bring smiles to the faces of our children this holiday season!"

There's still time to make a difference before the holidays. "Let's all work together to make sure these children have a special holiday! Thank you to everyone who came out to support Children's Home Society by bringing a toy donation to the Graffiti Bridge! Make sure these kids get the Christmas they deserve by donating to Children's Home Society today." said Rinke.
